## **Plan's 2015 Funded Status**

The Plan was in “critical” status in the Plan Year ending June 30, 2016. The Trustees adopted a Rehabilitation Plan on August 30, 2010 in an effort to restore the financial health of the plan. In order to achieve this, ‘adjustable’ benefits and benefits earned in the future were reduced. Any commencement of benefits after October 31, 2010 fall under the provisions of the rehabilitation plan and may be lower than previously expected. The changes adopted include:

*Accrual Rate* – Reduce the benefit accrual rate from 1.2% to 1.0% of contributions;

*Disability Benefits* – Eliminate benefits for all disabilities occurring after October 31, 2010;

*Lump Sum Death Benefit* – Eliminate \$5,000 benefit for all deaths occurring after October 31, 2010;

*Normal Retirement Age* – Increase the normal retirement age from 60 to 62 for benefits earned on and after July 1, 2011;

*Early Retirement* – Eliminate the early retirement subsidy for benefits commencing on and after November 1, 2010;

*Life Only Pension / 72-Month Guarantee Benefits* – Eliminate the 72 month certain guarantee for all retirements (except Pre-retirement Death) starting on or after October 31, 2010;

*Pop-Up* – The reduction for a Pop-Up is now based on actuarial equivalence.

*Employer Contribution Increases* – Employer contributions will increase by \$1.00 per hour each August 2010, 2011, 2012, 2013, 2014.

The Rehabilitation Plan was updated on July 29, 2014 with a new schedule of required employer contributions to defer the last \$1.00 per hour contribution increase from August 2014 to August 2015.

### **Withdrawals and Assessments of Withdrawal Liability During Preceding Year**

No employers withdrew from the Plan during the preceding Plan Year (2014-2015). No withdrawal liability has been assessed or is estimated to be due from the withdrawn employers.

### **Transfers from Other Plans**

There were no transfers or mergers of assets or liabilities from another plan during the 2015 Plan Year.

### **Amortization Extension/Shortfall Funding Method**

The Plan did not seek or receive an amortization extension under ERISA § 304(d) or use the shortfall funding method as that term is used in ERISA § 305 for the 2015 Plan Year.

### **Right to Request Information**
